

Family Christian Academy Preschool

“Building Foundations for Faith and Learning”

From this point forward, FCA Preschool will require parental authorization for our students to participate in buggy rides. Outdoor buggy rides are now considered “non-vehicular excursions” and these excursions require authorization for participation. In order for your child to take part in outdoor buggy rides, please complete, sign, and return the Non-Vehicular Excursions Authorization form as soon as possible. This authorization is valid for one year and will require annual renewal in order for continued buggy ride participation.
