

## Family Christian Academy Preschool

"Building Foundations for Faith and Learning"

### Illness Policy

If symptoms of contagious or infectious disease develop while the child is in our care, the child's parent/guardian will be notified to come pick up their child.

To remain compliant with guidelines set forth by state licensing, it is **MANDATORY** that this policy and its conditions be adhered to.

#### **FEVER:**

If a child has a temperature of 100° F or higher the child will be sent home and **cannot return to Preschool until the fever is resolved (no less than 24 hours). A physician's note stating the child is NOT CONTAGIOUS will also be needed.**

#### **DIARRHEA:**

If a child has two or more loose stools (or over and above what is normal for the child) the child will be sent home and **must be diarrhea free for at least 24 hours before they can return to preschool.**

#### **VOMITING:**

Any child with a sudden onset of vomiting with irritability or excessive sleepiness shall be picked up as soon as possible. **A doctor's note will be required to return to preschool.**

#### **EYE SECRETIONS (SUCH AS PINK EYE):**

**Child must be picked up as soon as possible and have a doctor's note stating when your child can return back to the preschool.**

#### **UNEXPLAINED RASH:**

**Child must be picked up as soon as possible and have a doctor's note stating when your child can return back to the preschool.**

#### **HEAD LICE:**

Child will be sent home for treatment. Child may return 3 days after hair is treated and nit free. Upon return your child will be checked by staff. If a nit is found, parents will be contacted and the child will be sent home for follow-up treatment.

**\*\*As per each illness described above, FCA reserves the right to refuse admittance if instructions are not followed. Each illness and its corresponding actions are subject to FCA Administration's discretion.**
